

AIRBORNE EQUITY

Specification

1977 Twin Commander 690B-10

Highlights

Explore this **Rockwell Commander 690B**, featuring a fresh white paint scheme with black, blue, and red stripes, and a luxurious brown genuine leather interior. Highlights include a full Garmin glass cockpit, -10 engines, dual air-conditioning (Freon and bleed air), and exemption from Wing Spar ongoing inspections. MPI and propeller mid-life completed in April 2025 make this aircraft ready to perform.
