

AIRBORNE EQUITY

Specification

1964 Cessna 182 - Texas Skyways
Conversion

Highlights

This 1964 Cessna 182 features the highly regarded **Texas Skyways O-520 conversion**, delivering 280 horsepower through a **Hartzell three-blade propeller**. Meticulously maintained with **immaculate logs since new**, this aircraft has had only **two owners over the last 30 years**, a testament to its care and reliability.
