

AIRBORNE EQUITY

Specification

1973 Aero Commander 690A

Highlights

This 1973 Aero Commander 690A is a well-maintained, proven performer with 5,416 hours total time (AFTT) and 6,712 total landings. It's equipped with dual Garmin G600 Primary Flight Displays, offering modern avionics and enhanced situational awareness in a classic twin-turboprop airframe. Powered by engines with a 5,400-hour TBO, this aircraft combines reliability, performance, and updated cockpit technology making it an excellent choice for both private and business operations.
